CEDARBROOK – DESIGNED FOR MODERN LIVING AROUND THE LAKE

Step into Cedarbrook, a thoughtfully designed modern farmhouse plan reimagined for luxury lakefront living. Spanning approximately 3,880 sq ft, this home features 4 bedrooms, 3.5–4.5 bathrooms, and a 3-car side-load garage. With its open floor layout, vaulted ceilings in key areas, and a clever blend of indoor and outdoor living, Cedarbrook is designed for both relaxed living and sophisticated entertaining. Inside, the vaulted great room with fireplace flows seamlessly into a gourmet kitchen featuring a large island, hidden pantry, and pantry storage. On the main level, the spacious master suite offers a walk-in closet and luxurious bath, while secondary bedrooms and guest accommodations provide privacy and comfort. Above the garage, an optional bonus room offers flexible space for a media room, home office, guest suite, or recreation area — ideal for a lake-front retreat or guest stays.
