COSTA MAISON

THE MERIDIAN – MODERN SOPHISTICATION, MATCHED WITH TIMELESS COMFORT

The Meridian, a beautifully balanced custom home plan that merges modern aesthetics with transitional warmth. Spanning from 3,900 up to 4,900 square feet across two thoughtfully designed stories, this residence features four bedrooms, 3.5 baths, and expansive living spaces that are tailored for both daily living and elevated entertaining. The Meridian's clean lines, ample natural light, and refined layout give it a graceful presence on your lot. An open main level encourages connectivity, while smartly placed windows frame serene views and bring the outdoors in. Upstairs, each bedroom enjoys generous proportions and private access to bathrooms, while the owner's suite offers a relaxing escape. At Costa Maison, we treat each build as a bespoke journey: you'll have the freedom to adapt this plan with personalized finishes, structural customization, and attention to detail tailored to your lifestyle.
